Excellent game farm, also suitable for cattle and goat farming.

This excellent and well maintained game farm in the district of Schweizer-Reneke consists of one big game camp, properly fenced with game fencing, and divided into 4 camps for the additional purpose of cattle farming. The inner fences are only suitable to keep cattle in, while game can still pass through. All fences are in excellent condition. There are also a good size shed area with a Cattle Pen and loading dock, all very well maintained, laborer housing, a very well maintained 2 bedroom house with 1 bathroom and open plan kitchen/living area, and an entertainment/braai area with an additional ablution block. All game on the farm are included, and consist of, amongst other, Rooi Hartbees, Waterbuck, Blou Wilde Bees, Zebra, Impala and Kudu. Unfortunately numbers are unknown.
