### Prime Warehouse Facility for Sale

This exceptional property offers a versatile and secure space, perfect for industrial operations, manufacturing, or distribution. Located in Queenstown Queendustria, the facility boasts a range of features designed for functionality, safety, and efficiency, making it an ideal investment for businesses in need of a well-equipped, expansive site. Currently operating as a furniture warehouse.

#### Property Highlights:

High-rise Roof: Offering ample vertical space for storage or machinery installation.

Aluminium Shuttering: All around the warehouse, providing enhanced durability and security.

Concrete Flooring: Strong, durable concrete floors previously used for stainless steel and pipe manufacturing—ideal for heavy-duty operations.
