Marvelous Mansion in Mooikloof Heights. An entertainer's delight with exceptional finishes.

Offering a 1293m2 home, with all the bells and whistles with a resort like look and feel, giving a 365 day a year vacation experience.

Being involved from green fields, i have personally seen how this gem of a home was built, crafted and modeled from brick and mortar into a work of art. With the hand painted interior walls, crafted with several paint techniques, through to the high-end imported marble tiles, wooden flooring and integrated entertainment areas.

The home tells a story of how talent and passion can be combined to optimally utilize space and the environment to create a masterpiece. Each section of this home adds its own unique character, from the gorgeous sun drenched bay window areas, through to the billiard room...
