Magnificent Single Story Home with three Bedrooms in Secure Estate Moreletapark.

How does one find the words fitting to describe this beautiful three-bedroom home? It radiates warmth and friendliness with a style close to the perfect. It is painted in a balanced combination of white and a very light grey with all door and cupboard handles offset in black. This gives one a feeling of lightness both of colour and mood creating a relaxed atmosphere.

Upon entering this home immediately to the left, you find the office, which with its built-in cupboards, could also be used as a fourth bedroom.

Next in line is the lounge, the open-plan TV room, dining room and kitchen. The lounge connects with an undercover patio via stack doors. On the patio there is a built-in braai which looks out on to the lovely manicured garden. The patio is also fitted with a roll-up blind to protect against rain and sun.
