A hidden gem tucked away inside a secluded estate.

A large, well maintained family home set in a manicured garden with lush grass and large shady trees.

The entrance hall leads into the fully tiled lounge with a sliding door onto a large, covered patio, and to another, open patio, overlooking the garden.

The dining area is next to the fully equipped kitchen, with granite counters, a prep bowl, pantry cupboards, and a separate scullery.

There are three spacious bedrooms and two bathrooms, one with a shower and the m.e.s. with a bath and shower.

Approved plans provide for an extra room to be built above the front patio which already has a concrete slab in place.

A sliding door off the dining area leads to another covered patio with a built-in braai and preparation area. An outside studio has been added for extra work-space.

The large automated double garage has direct access...
